REFLECT YOUR STYLE.

Kirsten Scharlau, Marketing Manager

"I enjoy using things for many years, which is why I love noble materials like leather, which can easily be refurbished if damaged. I value a thoughtful design with reinforced parts and tough materials. Care for detail in the functionality and in the style.

My accessories are a reflection of my personality."

Werner Scharlau, Founder

"When you choose to have a SCHARLAU you not only reflect the image you want, but you also have access to our guarantee and our design workshop for 2 years so that
